

EFIT in Romania

June 9 – 12, 2017 Lorrie had the pleasure taking EFIT to Romania. From Simon Herb, the leader of the EFT Romania Community and a lovely translator with whom to collaborate, to Sue following the event:

Hi Sue!

I wanted to share with you the experience of EFIT in Romania, that experience that was created by Lorrie Brubacher. It was a great success and all the Community from Romania is grateful for the opportunity that Lorrie gave us. We all feel enriched by the information and experiences. There were 80 people in 2 locations. Lorrie impressed all the therapists by her warmth, genuine attitude and openness. To see more of the feeling that she created, you have here a testimony which is our way of saying a big Thank you to Lorrie

We hope to continue maybe with an Advanced training in EFIT. And of course, we hope very much to welcome you in Romania as well (I will forever hope). Here, there are a lot of warm people and good therapists that want more and more from this miracle that EFT is.

Warmly, Simona
